Preface

The present volume numbered XIII catalogues 3202 manuscripts deposited in the Bikaner branch as "Śri Poojya Jina Charitra Suri Collection" (Acc. No. 12920-18347). The remaining number of the same collection in Hindi and Rajasthani will be catalogued separately. Totalling 5428 most of these works are of a secular character. ously they were housed in the "Badā Upāsarā," Bikaner-the seat of the Khartaragaccha sect of the Jainas. Such convents were erected for the monks or nuns who delivered sermons explaining sacred texts and religious treatises. The head of the so-called "Gacchas" are called "Śripoojya". The installation (Pāṭa) ceremony was performed in the year 1799 and ever since the "Badā Upāsarā" continues to be the main seat of the Brhad Khartara gaecha Ācāryas. The 77th head of the pontificate Sri Poojva Jina Charitra Suri engaged himself actively in the collection and preservation of manuscripts. He was deeply interested in philosophy, literature, grammar, astrology, architecture and the mantra śāstra. The "Badā Upāsarā" collection will thus always bear testimony to his devotion to learning and scholarship.

He was succeeded by the late Jinacharya Sri Poojya Śri Jina Vijayendra Suri who donated a large portion of this collection to the Institute and the branch came to be established in May 1962. The lead was taken by the late Sri Motichandra Khajanchi who donated as many as 6914 manuscripts.

Sri Poojya Jina Vijayendraji was almost a perfect embodiment of humility. Very meek and very simple. Son of Gandhi Kalyan Chand Shah he was born in 1915 A.D. in a village near Bhavanagar in Kathiawar. In childhood he bore the name Vijaya Lal or Vijaya Chand. He took his holy vow in the year 1930 at Malapura. Later on, he rose to the rank of Sri Poojya of the "Badā Upāsarā" with due honour and recognition from the rulers of the Bikaner State and won the title Brhad. Kharataragacchācārya Sri Jinavijayendra Suri. He died at an early age of 48 on the Dipawali day at Bikaner. Peace be to his noble self!

His liberality was not only confined to donation of costly ancient manuscripts. He advised other Jain Yatis to come out and hand over manuscripts to the Institute. This led to a stream of donors namely Pannalalji Pal Chandji Yati (6879 Mss.), Tikam Chandji Ram lalji Yati, Bhinasar (757 Mss.), Arya Magan Sri Chagan Śri (211 Mss.) and Panyas Himmat Vijayaji Yati, Bikaner (405 Mss.) raising the total figure to 19,839.

The chronological range of these manuscripts is wide indeed. To name the oldest we have the "Pancāśaka Prakarana" of Haribhadra Sūri with commentary by Abhaya Deva Sūri catalogued at serial number 1427. Some one dozen illustrated works donated to the Institute are simply priceless, if judged by there market value also. An illustrated Kalpasūtra with Kālakācārya Kathā dated V.S. 1503 has 114 folios and 47 miniatures illuminated with gold. Dated V.S. 1503 these miniatures go back to pre-Mughal Jain School.

The various tales and stutis of a more popular character are intended to serve at the same time the purpose of religious edification and of telling amusing stories. They are generally written in a kind of popular sanskrit influenced by the vernaculars. The large literature of glosses and commentaries grown up round some important texts have their own value. Extracts from some important manuscripts have also been included.

I record my feelings of respect to the soul of Sri Poojya Jina Vijayendra Suriji as one who had the good fortune of enjoying his hospitality during my stay in Bikaner. His successor Jainācārya Śri Pooiva Jina Candra Suri is equally modest and polite in nature. He has performed several religious tours outside the country and is one of the founders of Mahavir International mission. He has his own revolutionary ideas for propagating the mission of peace before mankind. He is also doing his best to convince the trustees of the "Badā Upāsarā" to donate another 10,000 remaining manuscripts for cause. Sincere thanks are due noble such a editor, Shri Bhooramal Yati, Senior Research Asstt. Shri Dau Daval Sharma who retired as Senior Research Asstt. too has his share in the preparation of the index cards. Dr. D.B. Kshirsagar, Senior Research Asstt., Shri Girdhar Vallabh Dadnich, Junior Technical Asstt. the late Shri Ramanand Saraswat also deserve thanks for their co operation.

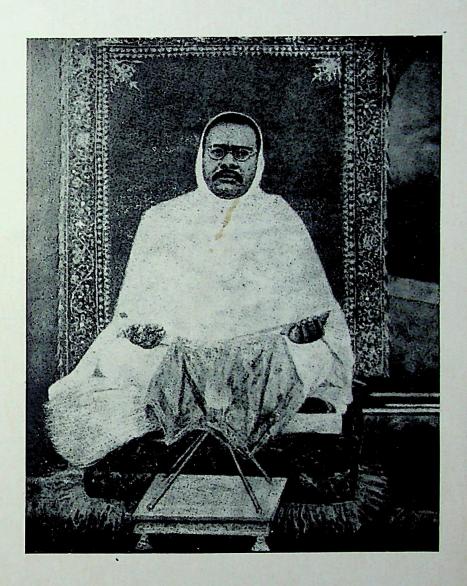

In conclusion, Messrs. Himalaya Printers and Pankaj Printers,

Jodhpur remain to be thanked as printers.

For errors and omissions I seek the indulgence of readers.
